

Explore Physics Day at Kent State University

Saturday, November 3, 2018
9:15am - 12:15pm
Smith Hall-Room 223
Kent Campus

- All high school juniors and seniors, along with their families, with an interest in physical science and/or engineering are welcome at this Open House event.
- Come learn about physics as a major, and discover the amazing kinds of career choices for physics graduates
- Experience myth-busting demonstrations of physics principles
- Hands-on activities for students to try out their skills on state of the art equipment
- Tour Physics laboratories and learn about student research opportunities

Hosted by Physics students, faculty and staff.
