

Graduate Physics Program

New Integrated Science Building

Kent State University

Open House

Friday, October 28, 2016

4-7 pm

Smith Hall-Room 223

Kent Campus

The Department of Physics at Kent State invites talented Junior and Senior Physics majors to our Graduate Open House.

Our program offers an excellent balance: you can choose from a diverse set of research areas while benefitting from individualized attention.

Admitted students receive competitive graduate assistantships and full tuition waivers.

Come find out about research opportunities in biological physics nuclear physics, solid state physics, the physics of soft matter and liquid crystals, organic electronics, and nuclear astrophysics.

Meet faculty, students, and tour Physics laboratories.
