*The Skies of Winter:
Holidays in the Planetarium*

Friday, December 7, 2018

Saturday, December 8, 2018

8:00 p.m.

Our traditional holiday presentation continues this year with an exploration of the skies of winter and their connection to religious and cultural observances throughout the world. Join us while we explore what you can see in the lovely clear skies of winter, and how the people

of the world structure their lives around the heavens.

This show is free, and open to all, but is not recommended for children under age six. Since our seating capacity is limited, reservations must be made by calling (330) 672-2246. **Reservations will be accepted beginning Monday, November 5, 2018.** Persons needing special accommodations are requested to call at least one week in advance.
